AccuBANKER[®]
because your money counts **USA**

Business Value

- **High ROI:** Pays for itself in less than one year
- **Plug-in and use:** Requires no Cashier training
- **Detects “Bleached and Super Dollars”:** Genuine \$1 and \$5s converted to \$20 and higher denominations, and high quality counterfeits printed by North Korea
- **Compact Size:** Can be placed next to POS / Register in the “line-of-sight” of the customer
- **Automates Process:** Distances the store brand from “sticky” situations with technology instead of making a judgment call

Operational Features

- Internal Infrared detection sensor
- Internal magnetic sensor
- Internal UV sensor
- Audible and visual alarm
- Automatic banknote feeding system
- Multiple Currency Detection: US Dollars, Canadian Dollars, Euros and Mexican Pesos
